

All-in-one recording device

The new FTR Touch™ puts a compact, reliable and easy-to-use digital court recording workstation right at your fingertips. Its small footprint and reliable performance is ideal for courts requiring stand-alone HD audio and video recording with minimal operator training.

FTR Touch™ also allows for flexibility in your digital recording environment by interfacing with most USB mixers and IP cameras.

Benefits

- Record, annotate, store and play back FTR court recordings.
- Space-saving design.
- Easy deployment.
- Minimal operator training required.
- Accidental damage protection.
- Compatible with all FTR Software such as EMS and Court.fm™.
- FTR Touch™ users can now take advantage of FTR's software assurance options.
- Able to be run in limited kiosk mode preventing access to Windows 10 interface without an administrator password.

Includes

- FTR Gold™ 6.0
- FTR Player™
- FTR Manager™
- FTR Log Notes™
- Dell All-in-One touch-screen PC
- 3 years of support and maintenance

For **The Record**

Works with

- **FTR Gold™**, the industry standard in multi-channel digital audio/video court recording.
- **FTR Log Notes™** provides digital court record users with a time driven interactive map of the recording.
- **FTR Player™** lets you use the record as it was intended with full control over microphone volume, speech speed and foot pedal support.
- **FTR Manager™** introduces the concept of sealing and unsealing recordings across your sites and allows authorized users the ability to lockdown access to sensitive recordings.
