Word List

First line of the Description field. If empty, shows the Location Name.

Range Bar

Range Start Marker: Represents the Audio Range start time as defined in FTR Player™.

Current Log Note Marker: Indicates the last log note relevant to the current play time. As the content continues to play the marker moves to show the corresponding log note.

Range End Marker: Represents the Audio Range end time as defined in FTR Player™.

Location Name

You can choose a location from the list

Supreme Court 23
<12-Nov-19 @ Supreme Court 23>

The location name shown in < > indicates an association with the recording currently open in the player.
